**I understand that wood carving and the tools used in wood carving are inherently dangerous because they require the use of very sharp knives, power tools, and wood burners. I accept the fact that I will cut or otherwise injure myself sooner or later. Most injuries are minor, but some will require medical attention. I accept the fact that such injuries are inevitable and agree to participate at my own risk and medical expense.**

**I, my heirs, executors, and administrators hereby remise, release, and forever discharge Capital Woodcarvers Association (CWA) and its members, officers, agents, and volunteers acting officially or otherwise from any and all claims, demands, actions, or causes which in anyway arise from participation in any CWA function.**
